Earth System Science for the Baltic Sea Region

4th Baltic Earth Conference

Assessing the Baltic Sea Earth System 30. May 2022 - 03. June 2022

The 4th Baltic Earth Conference will take place in Jastarnia, Hel Peninsula, Poland.

The completion of the Baltic Earth Assessment Reports (BEAR) marks the termination of the first phase, nine years after the launch of Baltic Earth. The BEARs provide a retrospect of Baltic Earth related research, current knowledge and knowledge gaps, and wrap up nine years of Baltic Earth activities.

The conference covers the topics of the  Baltic Earth Assessment Reports (BEAR), which reflect the majority of  Grand Challenges and research themes of Baltic Earth over the past nine years.

Conference participants will present their research around these topics and are invited to discuss both Baltic Earth achievements and the way forward. The conference is intended as discussion forum for scientists, students, managers and other stakeholders.

Conference language is English.
